

INTERNATIONAL SYMPOSIUM ON RECENT ADVANCES IN ELECTRICAL ENGINEERING 2019

International Symposium on Recent Advances in Electrical Engineering 2019 (RAEE' 19) will be held at Pakistan Institute of Engineering and Applied Sciences, Islamabad, Pakistan during August 28-29, 2019. We invite authors to submit high quality original papers to the symposium. The Conference proceedings will be submitted for publication in IEEE Xplore digital library.

28 - 29
August

PIEAS, ISLAMABAD

Important Dates

Submission Opens: March 15, 2019

Full Paper Submission Deadline: June 17, 2019

Decision Notification: August 09, 2019

Camera Ready Submission: August 16, 2019

Research Areas

Biomedical Engineering and Bioinformatics
Communication Techniques and Systems
Computational Intelligence, Artificial Intelligence
Electromagnetics and Optoelectronics
Fault Diagnosis, Tolerance and Process Safety
Industrial Automation, Control Systems and Mechatronics
Pattern Recognition, Computer Vision and Machine Vision
Power Systems and Alternate Energy Resources
Robotics, MEMS and Sensing Applications
Semiconductor Manufacturing
Speech, Image, Video and Signal Processing
Wireless, Mobile and Sensor Networks
